

FLEXFIT® 2024 CATALOGUE

50TH

50 YEARS OF EXCELLENCE

50 YEARS OF STAYING ORIGINAL

THE STORY THAT NEVER ENDS

In a world dominated by automation, there are moments of unparalleled quality that machines cannot replicate- the intricate details of comfort, the expectations of users, and the endless scenarios in which our hats are tested.

50 YEARS OF STAYING ORIGINAL

Caps, a timeless fashion accessory that has transcended generations, carry a rich history that spans centuries. From their humble origins to becoming a symbol of style and self-expression, caps have evolved significantly over time.

In this blog, we will embark on a captivating journey through the history of caps, while also exploring the profound influence of Flexfit and Yupoong on their development.

So, fasten your seatbelts and prepare to embark on a captivating journey through the history of caps. We will unravel the stories, milestones, and influences that have shaped these iconic accessories.

From ancient civilizations to modern fashion runways, and from Flexfit's pioneering technology to Yupoong's legacy of quality, we will explore how caps have become much more than mere head coverings, but a reflection of our personal style and a testament to the timeless allure of fashion.

PRODUCT GUIDE

YP CLASSICS®

The mark of quality since 1974, the YP Classics® sticker has been representing a diverse range of styles, shapes, and technologies. From the original adjustable snapback to the versatile trucker and cozy beanies, YP Classics® products are meticulously crafted with the finest materials to provide a premium experience for any occasion.

FLEXFIT®

The FLEXFIT THE ONE AND ONLY ORIGINAL® stretchable fitted cap, empowered with Flexfit® Technology, features a polyurethane spandex woven sweatband that offers enhanced fitting choices and comfort technology. This provides premium comfort and improved sizing options.

FLEXFIT 110®

FLEXFIT 110® cap: MADE FOR YOU. The FLEXFIT 110® cap incorporates the comfort technology of innovative Flexfit® Technology, paired with a variety of adjustable closures to guarantee optimal comfort for a more inclusive and customized experience.

FLEXFIT DELTA®

This innovative cap is lighter, sleeker, and smarter than ever before. The FLEXFIT DELTA® cap features seamless construction with a lightweight approach. The patented Stain-Block Technology diffuses sweat faster for extra comfort.

FLEXFIT NU®

The culmination of insights learned from 50 years of craftsmanship, the FLEXFIT NU® cap features a unique Tri-Layer paneling technique (Patent Pending), incorporating front panels that are 50% thinner and a stitchless front panel for optimal branding. It also boasts innovative ACTIVEGUARD™ Technology, facilitating rapid moisture absorption and under-visor dispersion for a longer-lasting stainless look.

From the Timeless Classic adjustable trucker hats to the groundbreaking stretchy hat, Flexfit®, and now the pinnacle of headwear technology, FLEXFIT NU® each represents Yupoong's unwavering dedication and commitment to our clients and their customers. As the world continues to evolve, Yupoong and Flexfit® are committed to remaining one step ahead in the latest advancements in comfort and performance technology. This commitment ensures a prosperous future for our clients and guarantees a new favorite hat for theirs.

EXPANDING TECHNOLOGY

BUILT TO LAST

Since 1974, Yupoong has stood as pioneers and innovators in the realm of headwear. We began with a more formal roll-up hat and have since progressed to crafting cutting-edge performance wear. Throughout our journey, Yupoong has consistently led the way in comfort technology, as evident in the 30 years of headwear and textile innovation encapsulated in Flexfit®.
